

Bethel Christian School

(A Ministry of Bethel Church)

3713 Pennington Lane, Woodbridge, VA 22192

(703) 590-5199

Statement of Purpose

The objective of a Christian school is to teach children how to live and to equip them for success. Proverbs 22:6 admonishes adults to train up a child in THE way he SHOULD go. A Christian school is an extension of the home in training young people. The school staff works closely with parents to train the whole child, mind and the soul.

Attendance at our school is a privilege and not a right. The goal of our school is to train youth of every ability in the highest principles of moral character, self-discipline, individual responsibility, personal integrity, and good citizenship. Our school stands without apology for high Biblical standards of morality and wisdom.

Biblical Principles

One of the basic reasons why parents enroll their children in a Christian school is to obtain an education grounded in moral values. Bethel Christian School uses two Biblically-based curricula. These are “Liberty University Online Academy” for grade 3 and up & “A Beka” for K-4 through grade 2. Both curricula are designed to help students develop moral character, a sense of accountability, and wisdom in their lives. Standards of personal conduct, school policies, and curriculum build the students' sense of responsibility and integrity.

Standard of Conduct

Students of Bethel Christian School are expected to act in an orderly and respectful manner, maintaining Biblical standards of social courtesy, moral behavior, acceptable language, and honesty. Students must agree to strive toward unquestionable character in dress, conduct, and attitude.

Admissions Policy

Bethel Christian School admits students of any race, color, national, or ethnic origin to all the rights privileges, programs, and activities generally accorded or made available to the students at the school. It does not discriminate on the basis of race, color, national, or ethnic origin in administration of its educational policies, admissions policies, scholarship, loan programs, athletics, and any other school-administered programs.

(Please turn over.)

Admissions Procedure

1. Parents visit school.
2. Parents and student read the handbook and sign handbook agreement.
3. Application is submitted accompanied by registration fee, report card and a transcript from the last school prospective student was enrolled in.
4. Office will then call for an interview (both parents and prospective student) with the principal.
5. Credit Report is obtained (*for all new families*).
6. Parents will be notified of acceptance.
7. Automatic draft payment plan is set up.
8. Medical History form is submitted.
9. A medical report must be filled out by a physician and submitted to the school office. All students must have the following immunizations: diphtheria, polio, measles, and rubella. In instances where a student needs medical attention, the principal will call the parent or family doctor (in that order)
10. Copy of the Student's Birth Certificate
11. Copy of Legal Custodial Documents (if applicable).
12. Both parents attend parent Orientation.

Medical Guidelines

No staff member will be allowed to administer any medicines without parental authorization in writing. All medicines must be kept and administered at the school office.

Parental Involvement

Parent orientation, meetings, and conferences promote a good understanding between parents or guardians and the faculty/ administration of this school. Every parent is required to participate in these informative and helpful programs.

The first parent/staff meeting will be held at the opening of school. Parent/staff meetings are scheduled following the first quarter, following the third quarter, and at the spring Awards Program. Individual parent conferences with the supervisor are scheduled following the first and second quarters.

To better understand our program, parents with students in the Learning Center are asked to spend a specified time in the Learning Center where they will experience Learning Center routine and procedures. This will be at the beginning of the year during the orientation process.
