

**KISS YOUR INSECURITIES GOOD-BY AND DISCOVER THE JOY OF LIVING WITH CONFIDENCE!**

Beth Moore is coming to women across North America live via satellite on April 24 with a new message that will set us free from our insecurities!

Since Eve ripped the first leaf from a tree in the Garden, insecurities have plagued the female gender. Today's women—young and old, churched and unchurched, rich and poor — are suffering from such deeply embedded wounds that most don't even know how to identify them, and beyond that they can't imagine living without them.

In her engaging, "speaking-right-to-you" style, Beth will once again bring a transforming message to women. The message is this: We don't have to be slaves to our insecurities! We can conquer fear and doubt and discover the liberating confidence and security that is found in Christ.

Join us for this transforming event!
